THE SIXTY-SECOND ANNUAL REPORT

The Board of Management have pleasure in presenting the sixty-second annual report and statement of accounts for the year ended 31st December, 1946.

The Board suffered a great loss by the death of Mr. Harold J. E. Peake, who had been President of the hospital since 1931, and who held a close and personal interest in the hospital and all those connected with it.

Mr. E. O. Willis, who had worked for so many years in obtaining funds for the hospital, was elected a member of the Board, but his illness and death followed soon after.

Major H. J. Tilney kindly accepted the invitation of the Board to become President of the hospital and will, we know, fill the office with dignity and understanding.

The Reverend E. H. Stenning, who had been the Hospital Chaplain for so many years, resigned his appointment upon his retirement and the Board wish to record their appreciation of his hard work, and the great kindnesses shown by him to patients and staff alike.

The Reverend A. J. W. Pritchard has been appointed Honorary Chaplain to the hospital.

Mrs. B. E. Davis, Mrs. M. Luke and Mrs. K. Hollebhone were re-elected as members of the Board at the last Annual General Meeting. Also at that meeting The Reverend F. Russell Davies, Mr. O. Brown and the late Mr. E. O. Willis were elected as members of the Board.

SERVICE.

Once again we can report that the service given to the district by the hospital has been maintained at the highest possible level. Although the number of in-patients treated is slightly less than the previous year, it has not affected the work carried out for local needs; the drop in numbers being due entirely to the closing down of most of our E.M.S. beds. The out-patient department treated nearly 3,500 more patients in 1946 than in 1945 and this department continues to increase in its scope and service. Plans were made for the provision of two new private wards and also for a combined Physiotherapy/Pathological department and it is hoped that both of these departments will be in use in 1947.

STAFF.

Miss E. D. Johnston resigned her appointment as Matron which was accepted with sincere regret after thirteen years of loyal and devoted service. Miss E. P. Marchant has been appointed Matron, and Miss Marchant came to us from the Ear, Nose and Throat Hospital in Grays Inn Road, London.

Sisters Tomlinson and Dickinson resigned from the staff, Sister Tomlinson to marry and Sister Dickinson to retire, and we wish them both every happiness and record our appreciation of their many years of devoted service.

Mr. J. S. Holdstock returned to his duties as Secretary in August after five years' war service.

STATISTICAL COST OF PATIENTS.

The cost of treating in-patients shows a considerable increase in comparison with the previous year. This is due, of course, to the general trend of prices which have risen enormously, and in turn have raised the cost of living and of salaries and wages.

FINANCE.

For the first time the accounts show a deficit with a loss of approximately four thousand pounds on the year. This deficit has been caused by a drop in income, and also the general increases in salaries and wages.

ANNUAL SUBSCRIPTIONS and DONATIONS.

The Board extend their grateful thanks to all subscribers and donors who have continued their generous financial support and our special thanks are due to all those kind friends who organised entertainments to augment the hospital funds.

CONTRIBUTORY SCHEME.

The revenue from the Contributory Scheme once again shows an increase and our grateful thanks are due to the organising Committee, the honorary secretaries and collectors whose hard work and keen interest have made this possible.

LADIES' LINEN GUILD.

The Ladies Linen Guild have again provided the hospital with linen and bedding and thus saved us the expenditure of purchasing these items. We wish to record our thanks to all members of the Guild for their unfailing interest and support.

LIBRARY.

The library continues to be as popular as ever and it has now been moved into a larger room. Our thanks are due to all those workers who regularly visit the hospital to distribute books and magazines to the patients. We also record our appreciation of the help given by the British Red Cross Society.

COMMITTEE OF MANAGEMENT.

As reported elsewhere the Board have suffered loss by the death of Mr. Harold J. E. Peake and Mr. E. O. Willis. The resignations of the Rev. E. H. Stenning and also the Reverend F. Russell Davies are reported with regret.

HONORARY MEDICAL STAFF.

Mr. G. T. W. Cashell and Dr. C. E. R. Wood have returned from service with the Forces and are once again actively engaged in the hospital work. Dr. K. Fawssett was re-elected and Dr. B. Phillips, Mr. G. A. Fairlie-Clarke, Dr. M. G. Simmons, Dr. A. G. Edwards and Dr. W. Anderson elected to the Honorary Medical Staff. The Board wish to record its appreciation of the loyal service given by all members of the Honorary Medical Staff.

STAFF.

The Board again records its appreciation of the conscientious service given by the Matron, the Nursing and Domestic staffs, their work is worthy of the highest praise and fully in keeping with the high standard of the hospital.

GENERAL THANKS.

The many organisations and individuals who have helped during the year, both old friends and new, are too numerous to mention, but their continued practical interest and their support is most gratifying. A special expression of thanks must however be made to the British Red Cross Society and Order of St. John of Jerusalem, the Clergy and Ministers of the town and district, the proprietors of newspapers circulating in the district, the ambulance personnel, the Hospital Car Service officers and drivers, Christmas gift donors and all those who sent gifts. We could not carry on without the interest and support of our unnamed friends who have made it possible for us to continue the hospital service of which we are so proud.

NATIONAL HEALTH SERVICE.

The date of the changeover from the present system to the National Health Service has been deferred and will now take place on 1st July, 1948. When this service comes to be, it is for us all to work hard to ensure its success and look forward to increasing both our service and the scope of that service. The interest and support of all our friends and subscribers is asked, for the Service will derive much of its vitality and its humanity from the extent to which our friends continue to give both their interest and their support.

A. G. LEGGAT, Chairman.

We have audited the above Balance Sheet of the Newbury District Hospital as at 31st December, 1946. We have examined the Deeds of the Property and received a certificate from Lloyds Bank Ltd. that they hold your securities on the Hospital Endowments Fund. We have obtained all the information and explanations we have required, and in our opinion such Balance Sheet is properly drawn up so as to exhibit the true state of the Hospital's affairs as at that date, according to the information and explanations given us and as shown by the books of the Hospital.
